## Hunting Rules and Policies

LAWPC properties accommodate a wide variety of public uses including hiking, canoeing, cross country skiing, scientific research, and hunting. In order to create a safe and enjoyable environment for all visitors, we ask hunters to review and comply with our hunting program rules and policies. Failure to adhere to the rules results in suspension of hunting privileges, or citation by law enforcement. Questions or comments can be directed to Erica Kidd, Watershed Manager, by phone at (207) 333-6665 X 1, or by email at [ekidd@awsd.org](mailto:ekidd@awsd.org). Thank you for your cooperation.
