

HOW CAN I PROTECT THE WATER QUALITY OF LAKE AUBURN?

Individuals - in and out of the watershed

- Attend LAWPC meetings
- Attend our free educational and outdoor events
- Become a watershed steward - volunteer with us
- Follow and share our social media
- Plant something!
- Pick up trash and pet waste

Watershed homeowners

- Become LakeSmart certified
- Increase vegetation around your property
- Keep up with septic maintenance
- Discontinue the use of fertilizers and pesticides

Large landowners

- Maintain high levels of vegetation
- Follow forestry and agriculture BMP's
- Keep an eye out for anything of concern in our watershed!
- Learn about life estates and conservation easements with LAWPC
